

ATTENDANCE POLICY

Context

St Teresa's Catholic College is a 7-12 secondary co-educational College conducted by Brisbane Catholic Education for the Roman Catholic Archdiocese of Brisbane. As an educational institution it has the responsibility for the holistic education of the students who are enrolled. In partnership with parents/legal guardians, the College ensures that students feel safe and welcome into the learning community. One of the critical factors in ensuring that a student can improve academically is through their attendance at school. St Teresa's Catholic College monitors and records student daily attendance as required by the Office of Non-State Schooling. Attendance figures for each year level are published in the College's annual report to the community.

Rationale

A wealth of educational research demonstrates that maintaining student levels of attendance, and managing non-attendance strategically, is critical to improving learning outcomes in schools. St Teresa's Catholic College works with the parents/legal guardians of students in the College to ensure consistent school attendance. Further, we make use of systems to monitor the attendance of students at the beginning of each day and in every lesson. These provisions support our teachers in meeting the professional requirements to ensure the wellbeing of every student and to promote the learning of every student. St Teresa's Catholic College recognise that our school, and by virtue of their employment, our teachers, are legally required to monitor and record attendance of students in their care on a daily basis, whether absent or present in class, on excursion or at a school-based activity. In our strategic monitoring of attendance, the College responds when irregular attendance of students is found. This response involves investigation of the underlying causes of absenteeism and, where appropriate, involves the full engagement of parents/legal guardians. As a College we support all practices that ensure students attendance with a clear focus on improving the learning and life outcomes of every student.

Policy

St Teresa's Catholic College, in partnership with the parents/legal guardians of each student, ensure that accurate attendance records are maintained. The processes for managing student attendance are clearly defined and explained to all across the College community (outlined in the procedures). In promoting learning growth and supporting the wellbeing of every student, staff members at St Teresa's Catholic College take responsibility for monitoring and identifying irregular attendance of their students, and acting in line with the College strategy to intervene for improved attendance.

St Teresa's Catholic College recognise that parents/legal guardians of children have a legal obligation, as set out in the Education (General Provisions) Act 2006, to ensure a child is enrolled at and attends school. Further, class rolls can be required as evidence in court and assist in establishing that a school has met their common law duty of care to students. Attendance records are required as part of our College's Workplace Health and Safety requirements and can be a critical factor in identifying serious student protection concerns. The learning growth and wellbeing of our students underpins all actions.

Attendance Management Procedures

All staff are to use eMinerva, the School and Student Administration System, in their student attendance management practices. Teachers are to update accurate student attendance in every lesson, including House Group in the morning. Our College attendance monitoring strategies, described later in these procedures, will focus on the records stored in eMinerva as the source for accurate attendance data.

Attendance Monitoring Procedures

All Teaching Staff, Every Lesson	<p>It is the professional and legal responsibility of every teacher in every lesson to monitor the attendance of students in their class.</p> <p>If there is a student who has been present but is no longer present and the roll has no explained reason, <u>the subject teacher is to ring Student Administration immediately and advise that the student is not present.</u> The Student Administration Secretary will inform available staff members (preferably Head of House) that the student is missing. They will then attempt to locate the student following guidelines according to student management procedures.</p>
House Group Leaders	<p>A critical function of the House Group Leader in managing and maintaining the wellbeing of the students in their HG class, is to monitor and manage attendance at school.</p> <p>The functions of House Group Leaders in doing this are:</p> <ul style="list-style-type: none"> - Ensuring an accurate record of attendance is recorded by 8:20 a.m. every day. - When marking the roll, if the House Group Leader has received written information from legal guardians regarding a student's absence from school, they should enter the details (including absence category) into a log in eMinerva. - Entering any information regarding future planned absences of students by entering a 'Notified Absence' into e-Minerva. - <u>Contacting the legal guardians of a student if a student is away on three consecutive days (or earlier if concerned).</u> - Informing the Head of House if frequent or regular patterns of student absence are recognised. - <u>Updating the absence category and entering details into eMinerva when receiving written explanation of past absence from the student's legal guardians</u>

Heads of House	<p>Heads of House, in leading learning and wellbeing initiatives for their House support their House teams in monitoring student attendance.</p> <p>They monitor attendance holistically for their House and monitor variations in attendance for individual students. House Group Leaders liaise with HOHs when they recognise irregular attendance patterns. Should completed House Group Leader interventions not rectify issues, the Head of House will investigate deeper and enact processes engaging further support for students and legal guardians.</p> <p>Heads of House will inform the Assistant Principal - Student Development of endemic patterns of irregular attendance.</p>
College Leadership Team	<p>The College Leadership Team will monitor student attendance holistically. They will provide strategic guidance with a focus on maintaining full attendance for healthy students.</p> <p>The CLT will review the practices and procedures underpinning management of student attendance. They will ensure clarity of understanding of the attendance policy annually.</p> <p>The College Leadership Team will provide student attendance management training to teaching staff annually and ensure all new staff are inducted into the policy and procedures outlined.</p>
