Dear Members of the St Teresa’s Catholic College community,

The warmest of greetings for the beginning of a new academic year! To those families who are beginning their journey we hope that you find our community welcoming and inclusive. To those families who will be finishing with us at the end of 2014 we thank you for your support and enthusiasm over the past years.

At the end of 2013 Pope Francis was named “Times” Person of the Year. Given the piliaring the Church has had in the media over recent years this is quite extraordinary. What has made the difference is that there appears to be a real integration between his message of love, mercy and respect and his way of living that out in the everyday of life. His first messages and warm manner have spoken very clearly that the Church should reflect the gospel message of a generous, open and inclusive Church. He also described the Church he now leads as a ‘church of the poor’.

Allow me to share with you a few of my reflections on this time of change and celebration as I reflect on my parent’s relationship with the Church.

Mum was a convert to Catholicism and a regular Mass attendee throughout her life. The rosary and devotion to Mary were a particular strength and it was comforting to us all that she passed away in her sleep with rosary beads in her hands. Mum’s was an old style Catholicism where respect for the rules and the liturgy were paramount. In contrast, my father who has been a ‘catholic’ all of his life but has rarely been a regular mass attendee. Even now attendance at Easter and Christmas is a struggle. Yet it was Dad who insisted that us children had a Catholic Education and who worked hard to ensure that this was possible. We are all grateful for the sacrifice and commitment that they both made throughout their lives to ensure that we had the strongest ‘faith’ formation possible. They lived out their Catholic faith in two very different ways but in their own way each has established their own unique relationship with God.

The election of Pope Francis has given me hope that our church can be a ‘big church’ - big enough to include the Pope, big enough to include ordinary people like my Dad and Mum and big enough to include the thousands of young people for whom we care; who like Dad, may never live out their relationship with the Gospel in traditional Catholic ways.

If we take the life of Jesus as our touchstone for authenticity, our Church can be as inclusive as we dare to imagine. In much of what Pope Francis believes, what Marcellin Champagnat and St Teresa of Avila believed, what Moses believed, what my Dad and Mum believed and what you and I believe, there are probably some very stark differences. But we are all people of faith! What makes us one Church is not a sense that everyone must believe or act in the same way. What makes our Church a church of possibility for the future is the fact that all of the people that I mention, plus the thousands of young people we nurture, belong to a tradition of faith which calls us all to belong and contribute according to our unique gifts and talents.

We must also remind ourselves that Jesus’ priority for inclusion had little to do with bringing people into a ‘church’. He demanded that they be included as human beings in a world that denied them this status. Our schools all strive to bring our students into a fullness of their human potential, to be people of compassion and mercy.

The Pope sees the Church’s mission as going out into the streets. For him, faith is a door through which we allow Jesus in. Jesus then invites us to go outside to greet other people. But when we go out we must go with compassion and humility. As people we are most struck by compassion when we feel that the person who is compassionate to us is more important than we are. This is what Pope Francis does: he puts himself on the same level as the people whom he walks amongst. It is also noticeable that Pope Francis does not go out only to Catholics. He also speaks easily with people who have no religious faith and who disagree with the Church. We have this same cross-section among the young people in our College community. Pope Francis welcomes them and refuses to judge them, saying that if they are following their conscience they are open to God. He shows that we should never judge others but in being aware of our own weaknesses and limitations we accept others as we are: persons who are both saints and sinners.

From Pope Francis there are three things that we can learn. First we must listen to the deepest longings of our heart and to follow them. To spread the Good News about the treasure of the Gospel we need to have found it ourselves and made it the centre of our lives. Second, if we have discovered God’s compassion, we can only share it with others by being compassionate and not judging them. Spreading the faith through mercy is a love affair, not a war. Third, the example of Pope Francis invites us to go beyond where we are comfortable: to involve ourselves in activities that let us meet disadvantaged people face to face, to speak with others about our faith and doubts, and to listen quietly when people tell us things about themselves that disturb us. People will find God’s
compassion in our presence and silences more than in our words.

Pope Francis’ early statements give much heart to those who serve the vision of Jesus Christ that gives priority to inclusion and an authentic option for the poor. Our vision contends that we cannot fully claim the title Catholic without this emphasis on inclusion and outreach to those on the margins. We take heed from Jesus’ words that marked the beginning of his ministry in Luke’s Gospel (4:18): “The spirit of the Lord is upon me, because he has anointed me to bring good news to the poor. He has sent me to proclaim release to the captives, and recovery of sight to the blind, he let the oppressed go free, to proclaim the Lord’s year of favour.”

May all Catholic schools in the Carmelite and Marist tradition continue to do their humble part in the service of this ‘church of the poor’ through fidelity to our charm and its powerful invocation of our service to those at the margins of our world.

With best wishes and much gratitude for all that you do in the service of the Reign of God.

Yours sincerely,

From the Principal’s Desk

I would like to bring to the attention of the College community the following information:

The College welcomes the following new teaching staff for 2014: Carmel O’Brien (College Deputy), Lisa Morris & Leigh Boggis (Teachers). We welcome back from leave Sam Anderson, Robyn Lake and Jo Fellows.

We welcome to the College the following non-teaching staff: Frances Wilson (Events), Jake Pekar & Margot Lloyd (Lab Tech) and Cathy Nitschke (Office).

The College commenced 2014 with an enrolment of 792 students.

The College has had its Academic Assembly on Wednesday 5th February in which we acknowledged the most successful OP’s from 2013 and all students who received an Academic Gold or Silver and those who received Endeavour Gold.

The College Inaugural Mass is Wednesday 26th February. Parents and visitors are welcome to join us for this celebration.

At our recent Swimming Carnival Avila House were the champions with La Vallia House runners up. Many thanks to all of those students who competed, and made it an enjoyable day of building community spirit. Also a big thanks to the staff, particularly Mr Luke Zeremes and Ms Kellie Stephan who organised the day.

The College has rolled out iPads (Year 8) and MacBook Airs (Year 10) to students. A very big thanks to the IT Department who spend many hours preparing the devices and paperwork. Also a reminder that this is a big cost to the College as there is no longer Federal Government support for computers.

Over the Christmas break a new Learning Services Room was built in A Block. A big thanks to St Andrew’s Construction for ensuring the building was ready for Day 1.

This year the College has major building works in preparation for the introduction of Year 7 to secondary in 2015. The College envisages that this will begin in early April.

A reminder to all parents that absences of five days or more require permission from the Principal. Can you please ensure that any requests for leave are directed to the Principal as early as possible so that the necessary paperwork and notifications can be made.

Many thanks

Bro Paul Creevey

Join us for a walk through and tour of St Teresa’s Catholic College. The tour will run for approx 40 minutes. Please call the College on 5474 0022 to secure your place.

Sport News

STCC Swimming Carnival

The 2014 St Teresa’s Interhouse Swimming Carnival should be remembered as one of the best in the College’s history. Despite the scorching heat the students set the bar high with some standout performances, cooperation, teamwork, and organisation from members of every house, particularly the Seniors who led by example all day. It was quite evident from early in the day that it was going to be a tough carnival to win with all houses putting in 100%, but it was Avila who took an early lead and it was here they stayed for the rest of the carnival. Credit must go to all House Captains who rallied behind their troops and got them participating both in and out of the pool. Congratulations must go to all the Year 8 students who experienced their first STCC swimming carnival.

Regardless of nerves they showed heaps of enthusiasm on the day. A big thank you to Miss Stephan and Mr Zeremes, the College Sports Directors, for their tireless work behind the scenes and to all of the staff who were a massive contribution to the success of the day. Lastly, thanks to those students who gave it their best effort; your accomplishments were very much noticed and appreciated. The St Teresa’s Interhouse Swimming Carnival of 2014 was certainly a great start to our sporting calendar and we wait with great anticipation for the rest of our sporting year.

North District Swimming

Students who made the North District Swimming Team will receive a letter this week with their events. The carnival is held on the 28th February and St Teresa’s looks to win the trophy for the fourth year in a row. Good luck to all swimmers.

Maroochydore Netball

On Monday nights throughout Semester 1 St Teresa’s participates in one of our biggest netball competitions, the Sunshine Coast Secondary School Netball Competition (Maroochydore). This caters for any skill level from Year 8 to Opens. It is a great opportunity for girls to get involved and represent the College from a sporting perspective. The
competition started on Monday 17th February with over 100 girls heading down to Maroochydore.

We are excited to have four teams this year who are involved in the Keirra Trompf Netball Academy. Training schedule for these teams are below

Lord Byng College (Canada)

This year we are fortunate enough to be hosting a touring Canadian Rugby side. Players from Lord Byng College in Canada will be spending three nights in Noosa forming part of their Australian Tour. It is a great privilege for us to host these students and we are expecting some great rugby when we take them on in a competitive fixture (1sts).

To assist with the facilitation of the tour, St Teresa’s will be responsible for providing billets for the visiting side. The touring party will consist of 30 boys. A letter outlining times and dates is attached. Should any families be interested in billeting a student or two, please return the Billet Slip attached to the letter.

Netball & Rugby Camp

After a long day at the Swimming Carnival 35 students, comprising of Netball girls and Rugby boys, headed back to school for the weekend to participate in a challenging camp that lasted three days. The students were put through their paces with fitness testing, team building, sport specific skill drills, and ‘friendly’ competitions between the boys and the girls. It can be said that the camp was a great success and is definitely a sign of good things to come for STCC in both Netball and Rugby. The behaviour and conduct of the students was exemplary and they took every opportunity to showcase their talents both on and off the field. Thanks to Ms Stephan, Mr Zeremes, Mr Prinsloo and Miss Wilson for giving up their weekends to run the camp. A special thanks to Mrs Murray-Salter for her friendly visits and to Mr and Mrs Robertson for their time as well.

FOOD ALLERGY ALERT!

At St Teresa’s Catholic College we have a number of students who may experience a severe anaphylactic reaction if they come into contact with nuts. The allergic reactions can be life threatening, therefore we are asking for your full cooperation in regards to ensuring a safe environment for all.

We ask that your child does not bring any products containing nuts to school.
As always, we encourage healthy eating habits and choices, and we urge parents to support these practices where possible. We realise however, that sometimes students are given ‘treats’ and ‘extras’ in their lunch boxes. Ideally, choices such as fruits etc. are strongly recommended, however the following list provides some safe alternatives as ‘treats’ and ‘extras’:

| All Pauls and Nestle Yoghurts, custards etc. | Sakata all Flavours |
| Carman’s Muesli Bites (Fruit Only) | Shapes |
| Sweet William Chocolate Spread | Popcorn |
| Uncle Toby’s Fruit Sticks | Smith, Lays, Kettle Chips all Flavours |
| Le Snack Cheese and Crackers | Corn chips |
| All Kraft Nabisco Biscuits | Arnotts Biscuits (without nuts) |
| Chicken in a biscuit | Maltesers, Twix, Aero Bars |
| Dixi Drumsticks | Allens Lollies |
| Water Crackers etc. | Natural Confectionary |
| Aunt Betty’s Wheelies | |

**Reminder – Disability Parking Spaces at STCC**

Disability Parking Spaces at STCC are only to be used by parents / carers who may have to exit a vehicle to assist their child with a disability. These designated car parks on private property are not temporary drop off / pick up zones. We request that our school community respects the rules, as well as the students with a disability who require access to these clearly designated car parks.

From the Pastor - Fr Mark Franklin
Ash Wednesday 5th March
The First Day of Lent:
In the Roman Catholic Church, Ash Wednesday is the first day of Lent, the season of preparation for the resurrection of Jesus Christ on Easter Sunday. Ash Wednesday always falls 46 days before Easter. Since Easter falls on a different date each year Ash Wednesday does, too. While Ash Wednesday is not a Holy Day of Obligation, all Roman Catholics are encouraged to attend Mass on this day in order to mark the beginning of the Lenten season.

The Distribution of Ashes:
During Mass, the ashes which give Ash Wednesday its name are distributed. The ashes are made by burning the blessed palms that were distributed the previous year on Palm Sunday. After the priest blesses the ashes and sprinkles them with holy water, the faithful come forward to receive them. The priest or minister dips his right thumb in the ashes and, making the Sign of the Cross on each person’s forehead, says, “Remember, man, you are dust, and unto dust you shalt return” (or a variation on those words).

A Day of Repentance:
The distribution of ashes reminds us of our own mortality and calls us to repentance. In the early Church, Ash Wednesday was the day on which those who had sinned, and who wished to be readmitted to the Church, would begin their public penance. The ashes that we receive are a reminder of our own
sinfulness, and many Catholics leave them on their foreheads all day as a sign of humility.

**Fasting and Abstinence Are Required:**

The Church emphasizes the penitential nature of Ash Wednesday by calling us to fast and abstain from meat. Catholics who are over the age of 18 and under the age of 60 are required to fast, which means that they can eat only one complete meal and two smaller ones during the day, with no food in between. All Catholics who are over the age of 14 are required to refrain from eating any meat, or any food made with meat, on Ash Wednesday.

**Taking Stock of Our Spiritual Life:**

This fasting and abstinence is not simply a form of penance, it is also a call for us to take stock of our spiritual lives. As Lent begins, we should set out specific spiritual goals we would like to reach before Easter and decide how we will pursue them - for instance, by going to daily Mass when we can and receiving the Sacrament of Confession more often.
