This form must be received at the North District Convener / North District Chair no later than 2 working days prior to the commencement of the district trial. The district reserves the right to refuse late applications.

This form and required supporting documentation must be signed off by your school principal or authorised school delegate and be submitted either to the advertised district sport convener or the district secretary. (Your sport co-ordinator will provide details).

Additional information

Requests for exemption must be accompanied by an email address that can be used to acknowledge receipt of the absentee application form and whether the application has been successful or not successful.

Please note that a successful application for exemption from participating in a district trial does not automatically guarantee selection in a North District team competing at the Sunshine Coast Regional Trial.

If you are unable to participate in the district trial and want to be considered for selection (and to be invited to join the North District team), you must provide a resumé showing your prior sporting achievements in this sport, particularly at the representative level as well as documentation (e.g. medical certificate, invitation to compete at a higher level championship, etc) at the same time with this completed application.

Please type or clearly print in all fields on this form.
